Holiday Party Savings

Save as much as 40% by having your holiday party on a Sunday through Thursday rather than the busy weekends in December. Most venues, DJ's, caterers and casino companies will offer big discounts or substantial savings for non-weekend parties.

Emergency Tip

Have you locked your keys in the car? Does your car have remote keyless entry? This may come in handy someday. Good reason to own a cell phone: If you lock your keys in the car and the spare keys are at home, call someone at home on their cell phone from your cell phone. Hold your cell phone about a foot from your car door and have the person at your home press the unlock button, holding it near the mobile phone on their end. Your car will unlock. Saves someone from having to drive your keys to you. Distance is no object. You could be hundreds of miles away, and if you can reach someone who has the other 'remote' for your car, you can unlock the doors (or the trunk).

Gambling Tips

1st tip: Gamble for fun only with money you can afford to lose. Gambling should be entertaining. If you need the money, don't gamble.

2nd tip: Gamble half of what you are willing to risk. This way, if you don't win, you will give yourself a second chance, another day.

3rd tip: Don't be greedy;. If you lose what you have just won, you are greedy.

4th tip: Learn the games. Lower the casino's odds by learning how to play correctly.
